

XII INTERNATIONAL MEETING OF
YOUNG ONCOLOGIST CLUB

Transforming Cancer Care Therapy: Art Meets Science

Hyatt Regency Pravets, May 9-10, 2025

Dear Friends and Colleagues,

We are thrilled to extend an exclusive invitation to the XII International Meeting of the Young Oncologist Club, where the brightest minds in oncology will converge to redefine the future of cancer care. This year's theme, "Transforming Cancer Care Therapy: Art Meets Science," promises an extraordinary fusion of creativity and cutting-edge research.

The event will take place at Hyatt Regency Pravets, May 9-10, 2025. The programme focuses on the treatment of lung cancer, breast cancer, malignant melanoma, colon cancer, prostate cancer, and others. Join us for an inspiring program featuring keynote presentations, interactive workshops, and networking opportunities with peers and experts from around the world.

Your unique perspective and expertise will be a vital addition to our discussions. We believe that by combining the art of compassionate care with the science of innovative treatment, we can create a brighter future for cancer patients worldwide.

Please register at www.youngoncologistbg.com to secure your place at this groundbreaking meeting. Your participation will not only enrich the dialogue but also help shape the next generation of cancer care.

We eagerly await your presence and look forward to embarking on this transformative journey together.

Warmest regards,
Dr. Rossitza Krasteva
President of Young Oncologist Club
